Dear Mr. Crowther,

I wish to thank you personally for your time and effort involved in arranging and participating in the excellent briefings and tours which Messrs. Cain and Riggs and I enjoyed during our recent visit to Lockheed. Please convey my thanks to all who participated, particularly Messrs. Weiss and Riepe. I would also like to note my appreciation for the opportunity to have lunch with your colleagues, especially Dr. Fritz Oder.

25X1A Sincerely,

Edward W. Proctor
